

BMW 340i (F30, F31)

Product Name: **Downpipe w Cat (SS)**

Product code: **DP-BM/SS/5/H**

Approval: EC

MSRP ex. VAT: 1.850,00 €

INFO

Downpipe w Cat (SS) was tested and developed together with Evolution Line (Titanium) system.

The high-flow downpipe is constructed using high-quality stainless steel and, once fitted to the Evolution Line exhaust, it creates a complete system from the manifold to the tailpipes that will further enhance the performance figures: both the torque and power outputs. It incorporates a sporty catalytic converter – which is type-approved to meet ECE regulations, making the whole system ECE compliant – and so no remapping is needed for this performance upgrade. This optional downpipe produces an enhanced sound that delivers a pure racing emotion and fantastic feedback at high revs, without unwanted drone, making it suitable for everyday use.

Downpipe is optional product to the following evolution systems:

BMW M140i: Evolution Line (SS) - MTP-BM/SS/3H + E-BM/SS/3

BMW M240i: Evolution Line (SS) - MTP-BM/SS/4H + E-BM/SS/3

BMW 340i / 440i: Evolution Line (SS) - MTP-BM/SS/2H + E-BM/SS/2

THIS PRODUCT DOES NOT MEET EMISSION COMPLIANCE REQUIREMENTS FOR STREET OR HIGHWAY USE.
