Product Name: **Rear Carbon Fiber Diffuser - High Gloss**

Product code: **DI-BM/CA/5/G/RS**

Approval: ABE

MSRP ex. VAT: 1.150,00 €

INFO

The stunning carbon-fibre diffuser is offered as an option with the choice of a high-gloss or matt finish. It is a completely new design from the one that comes as standard on the car, and it gives the rear of the M5 a more aggressive and sporty feel. It shows off the tailpipes to their full extent and is a perfect accompaniment to the side mirror caps.

This Rear Carbon Fiber Diffuser - High Glossy, comes with red/white Akrapovič logo.

Warning: Cannot fit with genuine trailer tow hitch.
