

BMW M8 / M8 Competition (F91, F92) - OPF/GPF

Product Name: **Rear Carbon Fiber Diffuser - High Gloss**

Product code: **DI-BM/CA/7/G**

Approval: ABE

MSRP ex. VAT: 1.390,00 €

INFO

The stunning carbon-fibre diffuser is offered as an option with the choice of a high-gloss or matt finish. It is a completely new design from the one that comes as standard on the car, and it gives the rear of the M8 a more aggressive and sporty feel. It shows off the tailpipes to their full extent and is a perfect accompaniment to the side mirror caps.

﻿Fitment notice: With Akrapovič diffuser, hands-free trunk-lid opening/closing sensor is not working.﻿
