MSRP ex. VAT: 1.090,00 €

INFO

The stunning carbon-fibre diffuser is offered as an option with the choice of a high-gloss or matt finish. It is a completely new design from the one that comes as standard on the car, and it gives the rear of the car a more aggressive and sporty feel. It shows off the tailpipes to their full extent and integrates the parking sensor mounts. The diffuser allows the use of BMW's tow hook.
