

# Ferrari 488 GTB/488 Spider

Product Name: **Link Pipe Set w Cat (SS)**

Product code: **L-FE/SS/1**

Approval: W/O

**MSRP ex. VAT: 3.539,40 €**

## INFO

Link pipe set w/o Cat (SS) was tested and developed together with Slip-On Line (Titanium) system.

Featuring 200 CPSI high-flow high-quality metal cats and larger insulated tubes. The set increases performance due to less restricted flow through the cats and lowered backpressure, resulting in increased power. Sound levels will also be enhanced, with an increase of 10 dB in external sound performance, emphasizing the character of the engine to provide more of the traditional V8 flat crank feel. When fitting the optional link pipe set with catalytic converters, remapping the car's ECU is necessary.

This product has been developed in combination with our Slip-On Line MTP-FE488H.

THIS PRODUCT DOES NOT MEET EMISSION COMPLIANCE REQUIREMENTS FOR STREET OR HIGHWAY USE.
