

Nissan 370Z

Product Name: **Slip-On Line (SS)**

Product code: **M-NIZ34H**

Approval: EC

MSRP ex. VAT: 985,60 €

INFO

Please be aware that picture is taken with Titanium Tail Pipes, which are not available anymore. We have available Carbon Tail Pipes.

The 370Z from Nissan is a fine sports car in the tradition of Japanese muscle cars but benefits greatly from the Akrapovič treatment. Our finely crafted Slip-On axle back exhaust system is made of high-grade stainless steel and fits the original mounting points perfectly. Installation is a snap. There are power gains not just at or near redline, but across the entire rpm range. The Slip-On sport exhaust produces a boost in performance, as well as a weight reduction when compared to stock. The Slip-On system generates a deeper-than-stock tone with the sporty sound you'd expect from the 3.7-liter high-revving engine. Complete the look with a set of two exquisite 125 mm tailpipes in sandblasted and coated titanium or carbon fibre.

Exhaust can also be mounted on NISMO model.
