

Porsche 911 Carrera Cabriolet /S/4/4S/GTS (991.2)

Product Name: **Slip-On Line (Titanium) - for OE sport exhaust**

Product code: **S-P0/TI/5H**

Approval: ECE

MSRP ex. VAT: 4.676,81 €

INFO

Built from high-grade, heat-resistant, ultra-lightweight titanium alloys - which are sandblasted and coated for durability - the Slip-On Line is the first step in exhaust modification. Delivering weight savings in excess of 35% over stock, while increasing performance, the exhaust uses the latest innovative technologies in its construction, including parts cast in Akrapovič's in-house foundry. It is perfectly tuned to give a unique sound to the turbocharged boxer engine and is finished with two beautiful tailpipes to add to the aesthetic pleasure. Designed to replace the Porsche sport system, the Slip-On Line can also be used with the optional stainless-steel link pipe set to further improve sound and performance.

Fitment notice: The system is designed to replace the Porsche sport exhaust system. This system does not fit on vehicles equipped with Otto particulate filter (OPF).
