

Porsche 911 Carrera /S/4/4S/Cabriolet (992) - OPF/GPF

Product Name: **Slip-On Race Line (Titanium)**

Product code: **S-P0/TI/14**

Approval: W/O

MSRP ex. VAT: 3.780,00 €

INFO

Taking design to new limits, the Slip-On Race Line (Titanium) is beautifully finished with unique tailpipes to showcase a variety of surfaces, emphasizing the latest in exhaust technology and production. From the outer part, which is sandblasted and coated for increased durability and longevity, and incorporates a laser-engraved Akrapovič logo, to the inner tubing, which is polished on the outside and has a black-coated interior, all set within the bumper inserts, this system fully complements the lines of the car. Constructed from lightweight, high-grade titanium alloys, which reduce weight by 60% over the sports stock system, the addition of this system will add power and torque comparable to the sports stock system (measurements are presented in the technical data). To add to the sensory enjoyment, the sound offers aural pleasure from the moment the ignition is turned on, with special care being taken to provide acoustic feedback with a deep and harmonic nature, creating a great sound with absolutely no compromise on comfort.

The Slip-On Race system can be optionally combined with Link Pipe Set (Titanium). The addition of link pipes will require remapping the ECU.

Fitment notice: The system is designed to replace the Porsche sport exhaust system. In case you would like to install Akrapovič exhaust system on vehicles with non-sport stock exhaust, please request more information at official Akrapovič dealers.

THIS PRODUCT DOES NOT MEET EMISSION COMPLIANCE REQUIREMENTS FOR STREET OR HIGHWAY USE.
