INFO

Designed to make the GT3 stand out from the crowd even more, the visual delight of Akrapovič exhaust systems can be further enhanced with the addition of an optional carbon fibre rear diffuser. It's beautifully handcrafted from the finest materials and is designed to enhance the exclusive look of the titanium tailpipes. The ABE type-approved diffuser is a must-have extra for any discerning owner and shows that the GT3 means business, even when it's standing still.

REAR CARBON DIFFUSER DOES NOT FIT ON GT3 RS models!
