

Porsche Macan GTS (95B)

Product Name: **Evolution Line (Titanium)**

Product code: **S-P0/TI/7H**

Approval: ECE

MSRP ex. VAT: 5.995,00 €

INFO

Built from high-grade lightweight titanium to reduce weight, with valve housings cast in the in-house foundry, the Evolution Line (Titanium) exhaust system fits directly onto the Macan's stock downpipes. Developed to deliver both power and torque gains throughout the range and significantly reduce the back pressure, it is finished with hand-crafted carbon-fibre tailpipes to enrich the visual enjoyment of the exhaust. The tailpipes have been perfectly crafted and designed to fit beautifully within the optional carbon-fibre diffuser.

The system is a simple plug-and-play operation to fit, and has been designed to meet ECE type approval. The optional Akrapovič Sound Kit is also available.

Product images are taken on GTS model.

Fitment notice: The system is designed to replace the Porsche sport exhaust system.
