

Renault Mégane IV RS - OPF/GPF

Product Name: **Slip-On Line (Titanium)**

Product code: **S-RE/T/4H**

Approval: ECE

MSRP ex. VAT: 2.495,00 €

INFO

The Akrapovič Slip-On Line exhaust system is made from titanium with a distinctive precision-crafted carbon fibre tailpipe to give the Mégane R.S added appeal before its sporty engine kicks into life. Once the high-revving engine starts to spin, the Slip-On Line gives the Mégane R.S. increased sportiness and responsiveness with additional power and torque, and also reduces the weight to assist with overall handling. The system also gives the engine a deeper Akrapovič sound to further enhance the driver's enjoyment.

ECE type approval is only valid for cars equipped with otto/gasoline particulate filter.

For installing the slip-on system, the stock exhaust system has to be cut. Please read the instructions carefully before the start of the installation.

Fitment notice: This system does not fit on Megane R.S. Line, Trophy and Trophy-R models.
