INFO

Akrapovič revolutionizes the hot hatch segment with full-titanium Slip-On exhaust systems for the VW Golf GTI. Sustainable, light, and performance-oriented proprietary titanium alloys, a feature of Akrapovič performance exhaust systems for supercars and winners of 24-hour races, offer exclusivity to owners of the new GTI. Akrapovič's unique lightweight Slip-On Line exhaust system for the Golf GTI delivers a premium touch through that deep sporty Akrapovič sound, performance, and exclusive design, emphasized by two exquisite carbon fibre tailpipes. Race-proven materials. The perfectly crafted system provides additional performance gains over the stock system. The Slip-On's optimized exhaust flow gives the GTI a great platform for further tuning.

ECE type approval is valid only for Golf GTI FL (169 kW) model.

Fitment notice: Mounting only the Slip-On Line (Titanium) to the Performance (180 kW) model is not recommended due to unsuitable sound and performance. That is why the slip-on system MTP-VW/T/3H must be mounted together with the Downpipe / Link pipe (SS) DP/L-VW/SS/2.
